WELCOME

A HOTEL WITH HEART AND SOUL

Surrounded by the mountains of highland Perthshire, Pitlochry is a great place for a holiday and has enjoyed enduring appeal since the days of Queen Victoria. Combining a stone-built solidity with the vitality and colour of a popular town, it nestles comfortably in resplendent mountain scenery.

The hotel benefits from elevated views of the town and alpine-like countryside, quietly tucked away from the bustle of the town's main road. Our recent refurbishment has been extensive and makes it the hotel of choice in Pitlochry and Perthshire.

At Scotland's Hotel & Leisure Club we will put our heart and soul into giving you a classic hotel in a classic location, making your stay here truly memorable whenever you visit.

SCOTLAND'S HOTEL

& LEISURE CLUB, PITLOCHRY

Scotland's Hotel & Leisure Club, named after the man who built it, is perfectly positioned in the centre of Pitlochry, a beautiful Victorian-style holiday town.

In addition to the main hotel, we also have 2 neighbouring traditional houses that provide excellent and thoroughly peaceful accommodation. Ideal for families or small groups travelling together. Free Wi-Fi is available at the hotel within public areas.

BEDROOMS

Recently refurbished Executive and standard rooms are available at Scotland's Hotel & Leisure Club.

Alternatively, you may wish to request a room in one of our private houses, Dunevis or the Bank House, for more peace and tranquillity.

BARS AND LOUNGES

The local malt whiskies of Edradour and Blair Athol, amongst many others, are always available in the lounge bar. This adjoins the reception area and is furnished with big, soft couches and chairs; ideal for after dinner relaxation. Our new bar and bistro are also accessed from reception and provide high quality ales, wines, local produce and true local 'craic'.

FASKALLY RESTAURANT

The vivid colours of the Faskally Restaurant are contrasted by the crisp white linen on the tables. As we want our food to be as natural as possible, local Perthshire produce, preferably organic, is sourced regularly. We offer a variety of dining options including set menus, daily favourites and a selection of signature dishes.

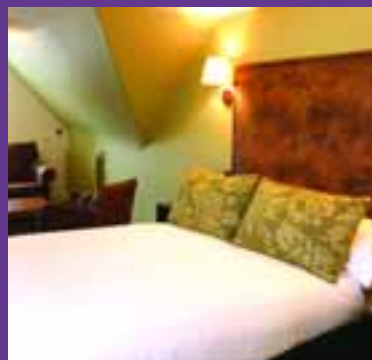

MACNAB'S BISTRO AND BAR

Bistro dining in MacNab's includes chargrilled steaks, local trout and salmon and many other seasonal choices.

We also have pre-theatre suppers available and the 'occasional' late night pizza.

SPA AND LEISURE

Our indoor pool and jacuzzi invite guests to indulge during a visit, and these are complemented by a sauna, steam room, gymnasium and solarium. For an extra treat, book a session in the spa where massage and beauty treatments are available.

IF ONLY THERE WERE ENOUGH TIME TO DO IT ALL...

GOLF

Perthshire has a vast golfing heritage and offers the challenge of 40 courses, most of which can be enjoyed with the purchase of a local golfing pass. In addition, St. Andrews and Carnoustie are within easy reach of Pitlochry.

WATERSPORTS

Canoeing, kayaking, canyoning, gorge-walking and whitewater rafting are all available locally and offer truly unforgettable days out.

THEATRE

The Pitlochry Festival Theatre offers a repertoire season of everything from comedies and thrillers to Shakespeare.

WALKING

There are plenty of mapped local trails to follow. For an easy walk through woodland, The Hermitage is ten minutes from the hotel, or for something more strenuous the Cateran Trail and Rob Roy Way are for serious long-distance walkers.

CYCLING

Highland Perthshire is ideal for two-wheeled exploration, whether on estate tracks, excellent quiet roads or off road trails. Local routes include the Pass of Killiecrankie, Loch Tay and Loch Tummel and Atholl Estates.

SKI-ING

Within easy reach of Pitlochry are 3 of Scotland's main ski centres at Glenshee, the Lecht and Cairngorm. Enjoy a day on the piste or get active with some snow-boarding.

WHISKY

Scotland's smallest distillery at Edradour (just 12 casks produced a week) and Blair Atholl Distillery both make fascinating visits.

TOURING

There is almost too much to do in and around Pitlochry – castles, palaces, gardens, museums, adventure centres and wildlife parks all vie for your attention. We can also offer an extensive range of outdoor activities through our association with 'Nae Limits'.
